“ Dear Shelley and family,
I give thanks for Gilbert's life and am grateful for the privilege of knowing Him. May the Lord comfort you with the assurance of His presence, and may you draw strength from His never-ending love and grace. Jesus came to us at Christmas to share in the joys and sorrows we face, and to bring us God's love. Then He died on the cross and rose again to bring us forgiveness, and victory over sin and death. In this life, we face our share of struggles, but the Lord can provide peace and hope beyond what we imagine. David and I will be praying for you especially at this time.
