“ *Glenn and Joan and I were church fellow church members for many years. They were good workers in the church and for the Lord. He was my Sunday School teacher in the young people's class and later in the adult class as well. I remember him saying often, " We don't know when the Lord will return, but we know it's one day closer than the day before"! My condolences to all the family. Donna Robison Ourant*

“ I was deeply saddened to hear that Glenn had passed away yet knowing that he is now in a better place because he knew Jesus as his Lord and savior.

I met Glenn for the first time in June 1956 when he became one of my trainers as I entered the Process Inspector department at Champion Spark Plug in Cambridge. He was a good teacher, knowledgeable, dedicated and committed to doing his very best so that I could become a competent Process Inspector.

Later I followed in his footsteps doing Preliminaries in the Inspection Department--a very important and highly sought-after position. Years later we worked together (along with Joann and my wife Polly), serving to enhance God's Kingdom through the Gideons International.

Although I had not seen Glenn and Joann in recent years, my remembrances of them are a delight--they were special servants of the Lord Jesus Christ--not only as Gideons, but in their every-day walk with the Lord! To God be the Glory!

May the Lord be with all of you in this time of great sadness and adjustment.
