“ To the Family of Glenna Goodwin:

Please accept my sincere condolences on your loss. Death is so difficult to deal with, but the Bible holds out a wonderful hope for the future. Jesus made the promise found at John 5:28,29 which says, "...all those in the memorial tombs will hear his voice and come out..." This promise of a resurrection will be fulfilled in the future. In the meantime, I hope that this promise will bring a measure of comfort to you and your family during this difficult time.##imported-begin##S. Sloane##imported-end##

“ Dear Nancy,

I came across this tonight while reading the online version of the Jeffersonian. I'm so sorry to learn of your loss. I will remember you and Bill and your extended family in my prayers.

I think of you often, and miss you.

Take care... or better yet, cast your cares on the Lord. May He sustain all of you during this time - give you strength for each day and bring you joy through your memories - reminding you of our hope for a reunion one day with our loved ones!

God Bless.
