“ *Gracie has helped me through many tough times. She always brought a smile and loving words with her to church at Echomanor. I always looked forward to seeing her every week. She loved to sing and shared memories of her childhood with me. She mentioned several times of wishing to ride horses again. She holds a special place in my heart. I remember sharing a birthday celebration with her and your family at Echomanor when she first arrived there. Praying for strength and blessings to your family. My world has been enriched for the short amount of time with her.*
