“ I found a nice photo from my husband's army days. It says, "Greg Check" on the back. This would have been in 1971 in the army in either Korea or Japan. There seem to be several "Greg Checks" out there but I noticed this Greg did say "army" and the age is right. If I can figure out how to do it I will share photo. My husbands name was John Gravel. I am sorry for your loss.
