“ Please accept my sincere condolences on the loss of your husband and father. It's so unfair that death has the power to take our loved ones away from us, but the Bible is a wonderful source of comfort. We are promised at Isaiih 26:19 that "Your dead ones will live...they will rise up..." Almighty God promises to bring back to life the loved ones we have lost in death. During this difficult time may the comfort from the scriptures bring a measure of peace to you and your family.##imported-begin##S. Sloane##imported-end##
