“ Dear Family

Although I did not know Helen for very long she made quite an impression on me. She was a wonderful person with a very loving family. I am sure she is in heaven watching over us all and waiting for the day we will join her. I will miss her very much and feel very honored to have known her.

“ Dear Joyce & John,

You both have worked so hard in taking good care of Helen for such a long time. I am sure she is up in heaven sitting in a recliner next to Howard, just like they used to do on the farm, reading the newspaper, and relaxing. I can remember all the meals you cooked, homemade bread rising in the living room, and cleaning up the upstairs bedrooms so we Melanie & I could go outside and play. I was about 10yrs. old, now that was a long time ago! Helen was quite a gal and spoke her mind. I always admired her for that. I know you will miss her and she is now in a wonderful place smiling! With 3 classes this summer and homework to do, I won't be able to make it up to Cambridge for viewing or day of funeral. Thinking of you often and keeping you in my thoughts and prayers.

My deepest sympathy to you both.
