“ This comes very late, but I just found this page. Our mothers were close friends, Helen Roberts Swaim and Carol Joan Nixon Miller. They were in the same sorority (Alpha Gamma Delta) at Kent State and were in each other's weddings. They might have been in band together too. Our families visited often when we were children. My family lived on the west side of Cleveland, in Avon and then Berea. We could come over to the East Side of Cleveland to visit a few times a year. I remember how terribly sad my mother was when "Aunt" Helen fell ill and then passed. I thought of your parents recently when I was going through photos from my parents home and off all the times we got together. Both of my parents have passed now also, my mother in August 2012 and my father (Rolland Miller) in November 2014. Judith Miller [histjam@emory.edu](mailto:histjam@emory.edu)
