“ I remember a night, almost 11 years ago when Marty was down for his VERY LAST VISIT, when I called you, Junior, to see if it was okay for me to bring him by to see Michael. I didn't understand why he was so adamant that he just REALLY needed to see his Little Brother that night, but I made the call thinking it was too late at night. I was pleasantly surprised when you agreed. What Marty and I didn't know was Zak was there! Marty was overjoyed to be with both Boys.

You took the Time to get to Speak with Him, not Assume that by his Political Beliefs, he was NOT a Man of Reason. He treated you with ALL the Courtesy and Respect due of an Elder, after ALL, Marty had been raised in such a manner. I had you take two wonderful pictures that night. The very last of Marty and his Two Brothers, Michael and Zak, that would ever be taken. On our way home, Marty expressed his gratitude of not only your allowing him to stop by, but for also the care you were taking of his Brothers. He knew it was no easy task.
