“ Hortie was a really good friend I met while working at Wal-Mart. I know she loved her family very much because she talked about them all the time. When we talked she would always end up telling me stories about her family and her life. I always loved to hear her stories. That will be one thing I will really miss. She always had a way to make everyone laugh. She was a true friend and I will miss her dearly. I will keep the family in my prayers. Denise Jurkovich

“ Aunt Hortie,

When we lose someone we love, it seems that time stands still. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. May you take comfort in knowing an angel is watching over you and know that words seem inadequate to express the sadness we feel. Aunt Hortie, you will always be a one of a kind and know that we all loved you and you will live in all the hearts you left behind.
