“ *Teresa and family*

You have my sympathy in the passing of your grandfather Howard Caldwell. I was reading about it in the paper last night.

“ *Howard and Marie were a wonderful couple, with smiles on both of their faces at all times. Being from Guernsey County, they both were a big support to me when I was State Grange Princess. They loved the grange, the grangers and boy could Marie tickle those ivories! I could listen to her all day.*

The community has lost a very special person and the grange has lost one of their beloved leaders.

He (they) will be missed greatly but will live on forever in my memories & pictures.

My thoughts and prayers to the family of a wonderful man and woman at this sad time.

“ *I grew up with Howard and Marie in the Grange and considered them my adopted grandparents. I have many many fond memories of trips to the Ohio State Fair in a camper with them and many trips to the grange conventions My oldest daughter in named after Marie. I miss them both very much. My sympathy to all the family. Peggy Pysi Jones, Dundee, Ohio*

“ *To the Family of Howard Caldwell,*

Howard was highly respected and loved by the members of the Ohio State Grange. He was special to many grangers. We served as Junior Directors under Howard's guidance, and we have very fond memories of the times spent with him and Marie. We considered them as our mentors. His advice was always the best. We will miss him. We loved both him and Marie.

“ *Eula Faye, Randy, Theresa, Faylene & Sheila,*

We are so very sorry for your loss! Although you know that he is finally with Aunt Marie again, Uncle Howard will be greatly missed. .

I remember and cherish both of their smiles and hugs, as well as their zest for life and love of family. My earliest memories of them are at Seneca Lake on their boat.

About 5 years ago while they lived at Victorian Oaks, I took my children there to visit my grandfather. We would walk down the hall to Uncle Howard & Aunt Marie's room to visit. My son had a shoebox full of small tractors and various farm equipment, as well as farm animals. He would sit on the floor in front of Uncle Howard and show him all his treasures. Uncle Howard enjoyed holding each toy, telling my son what each thing would do, and which ones he used in the "old days".

We are all very blessed to have had Uncle Howard to have been a part of our lives for so long. He was an awesome man.

*Love,
Steve, Karen (Caldwell), Nathan and Natalie Mathers*
