“ My condolences go out to the family of Ms.Daugherty for your lost. May you find true comfort in God's Word the Bible regarding the hope for those who've died. This hope is found at John 5:28,29 where Jesus encouraged us to look forward to the resurrection hope when our loved ones will be brought back to life. How comforting it is to know that we have the precious hope of seeing our loved ones again. Our loving Heavenly Father tells us just how much he cares at Isaiah 25:8 where he says he will swallow up death forever and will wipe the tears from all faces. Jehovah see's what we go through and will very soon do away with all of our sufferings and death will then be done away with forever. With death being done away with we will have the precious hope of living forever. This hope is found at Psalms 37:11,29 where it says the righteous will inherit the earth and live forever upon it in peace. So soon to come will live on the earth forever never worrying about sickness and death again. What a wonderful hope to have! May you reflect on these blessing from the Bible and pray that it draws your heart in finding comfort in God's future blessings, to see more scriptures contact me anytime at:
