Isabelle, I have such fond memories of you as a child while we were neighbors living in Cambridge, Ohio. From a most memorable one when you would give Jean and I items to play "dress-up" to me coming to your house and always wanting to help you clean. Ha! Ha! While after you moved to Clark Street and I had just finished Cosmetology School, I would come and do your hair, being it just a comb out or a shampoo and set. While I was there, both you and I would listen to the song, "Oh I Have Never Been To Spain, but I Kinda Like The Music", and doing our dance moves while combing out your hair and laughing. Oh! I can still hear you laughing now! After we finished doing your hair, we always would spray our favorite cologne. Interlude, which I will always associate with you. I am so glad that I got to visit with you while you were living with your daughter, Jean in Washington Court House. You were so very blessed to have such a wonderful daughter to care for you and giving you her undivided attention and unconditional love. May you be at piece now while you going in heaven with your husband, Richard. God Bless You! Judy Stephens Shumaker.

Did the pastor bless Isabelle on routine visits or did Isabelle bless the pastor? I think we all know the answer. What a joy Isabelle has been in my life in the brief period of time that I have known her. Isabelle has been a blessing to me ever since my initial visit. Isabelle was always so pleasant and a joy to be with, so much that even though the office was only blocks away you could not wait to get there in order to be lifted by Isabelle's welcoming smile. I thank God for each moment that we had and she has definitely left a lasting impression on this pastor. This lasting impression is not only to have joy but to spread that joy to all every day. What a blessing she has been and will continue to be in our hearts for ever. P. S. Love the picture, our sweet Isabelle. May God bless you all, Pastor Jeff Davis Hospice of Fayette County
