“Wow granny. this is the first time in a long time since ive been on here. Not a day goes by that I don't think of you or that your not on my mind. I think about you all the time. In the living room me, mommy, daddy, lacie, and krista have a picture of you ontop of our tv. It is still hard to believe your gone even though its been about 3 years now. Its a lot harder now that your gone. I don't have you to talk to about everything or to come to for advice anymore. But I know your in a better place and your with gramps and I know your watching me each and everyday. Just alots been goin on and I felt the need to just sit and write to you. Lacie and Krista are growing fast as am I but of course you know that because I know you and gramps are watching us each and everyday. I know you wouldn't want us to cry or grieve so I still stay strong because I know you would want me to. You were and are truly a great woman. You are my role model and I look up to you so much. I wish I could be exactly like you but I know that is impossible because no one could ever be like you. You are truly a unique and loving person and no one and I mean NOONE could ever be exactly like you no matter how hard they try. Well granny I could write so many other things I could truly go on and on and on but I wont because im tearing up and I don't want to cry because I know you wouldn't want me to. I love you granny and I miss you SOOOO much!

Love,

“ My Dearest Aunt Jane,
I love you and have only the fondness memories of you. I loved being with you when I was a child and all the stories you would tell me. Then when I was grown and married with children you were such a inspiration to what a mother should be. I loved you more than a Aunt in my heart. I loved to her you laugh, and I loved watching you put your makeup on when I was little. I am so glad that my parents spent so much time with you while we were growing up because I was able to watch you with your kids and you made me feel just as loved as your own. You taught me a lot of things and you were so talented. I felt there was nothing you could not do. I want to thank you Aunt Jane for loving me and sharing your time with me so I have all these good memories about you. You are always in my heart and I know you are in heaven with Jesus looking down and smiling at all the people you love..... I love you Aunt Jane and thank you for all your love you shared with so many people. God Bless all of your family and friends who love you.###imported-begin###Evelyn Deitz Smith###imported-end###

“ I loved Jane so much, my 2mom is now in Heaven. No one can take her place. She supplied wisdom to us all, and un-conditional love, acceptance and Christian values were her characteristic, I will miss you greatly, my friend.
