“ I worked with Jim at Kimble for many years. You couldn't ask for a better guy. He was always spoiling us office girls bringing us breakfast casserole or peanut butter fudge. He was definitely one in a million. Thinking of his family and praying for them.

“ I worked with Jim for several years at J & J. He was always "right there" any time I had a question. He taught me a lot.

I always enjoyed hearing his "remodeling" stories. It seems he liked to remodel rooms when Jan went on vacation as a surprise for her. And he would just beam whenever he was telling me how he lowered the counter tops or re-did the sun room. He was also SO VERY PROUD of Sean's accomplishments. His son was the l8ght of Jim's life.

You have my deepest sympathy. Jim was a fantastic individual with a heart of gold. He is flying high with the angels. RIP my friend.

Jim was a gentleman in every sense of the word. It was my honor to serve on Cambridge City Council with him. Our community was well served by him then....but more so by the fact that he lived among us for so many years. He enjoyed life and brightened up every room he walked into. Jim was a good friend to many....and he will be missed. My sympathy to Jan, Sean, and all his family.
