I was attempting to light a candle in memory of my brother, James Roy Groves, when I read the name of Robert Donna Groves. I hesitated in my endeavor, as I did not recognize the name and did not want to intrude in the family matters of another. I do have a brother named Robert, but his middle name is "LEE", not Donna. I am given to wonder if this individual that signed as "Robert Donna Groves", is trying to perpetuate some sort of sick joke at the expense, and grieving of our family in this dire time. I sincerely hope NOT.
