“ I taught with Jim at Reavis High School for about 30 years. I have many good memories of Jim, always friendly and professional, was an excellent team staff member working for the good. May he Rest In Peace in the Hands of God and may his Catholic faith be rewarded with God’s promises to His believers.

“ I traveled to and from work with, worked with, and laughed with Jim for most of my teaching years. Our families spent a great deal of time together in those years. Jim and Bonnie’s children stair stepped down from our children, two years apart , and the family was like family to us.

Jim always wrote us letters about what was going on, and I always tried to catch up with him when we both were in Tinley Park. He will be so missed.

The Indy 500 will be run without him this year, and I want to believe there will be no other spectators in honor of it’s #1 fan.

He always had a great smile and always wanted to know how everyone else was doing in their lives. The memories and the stories about football, baseball, auto racing and life are endless They'll never be forgotten. To Bonnie, AJ, Michael and the entire family we send our deepest condolences, i can't believe he's gone.
