“ I am so very sad to hear of Jim's passing. He was a dear friend of many years. Although we lost touch for a while after graduation, we reconnected later on and kept up with each other, East Coast to West Coast, by phone. I first met Jim when I started 5th grade at Pike school and we had a lot of fun dancing with each other at the Friday night square dances, and going on hay rides. I very fondly remember him going to the Sadie Hawkins Day dance with me in 9th grade at Brown Jr. High. Jim was such a good guy and I will deeply miss him. My thoughts and prayers go out to his family in this very difficult time.
