dear Jeffery & John,
My sincere sympathy to you and your families in the loss of your father. I met you (as small boys) once many many years ago when we were home for the holidays (from one of my Air Force assignments). Your father and grandfather Randall were my inspirations when I was showing Jerseys in 4-H; they supported my involvement in the Ohio Jersey Club; we purchased a few heifers/cows and a couple of bulls from Oak Hill Farms over the years in mid-50s to early 60s. Your grandma Myra fixed me a great breakfast one morning before we headed 'somewhere' with a load of cattle ... probably a fair/show. Please say hello to your mom for me. Cherish all those great memories.

Respectfully,
Ron Warner, DVM, PhD; Shallowater, TX

*It was just today that I learned of Jim's passing. I want his family to know how much I thought of him and his importance in moving the breed along to what we enjoy today. In the cattle business, He was one of the very few that commanded respect for his ability and honest manner. Sincerely,
