“ Jimmy was a great friend and was a great fast pitch softball player. We played together for many years all over the state of ohio. I have so many great memories of him along with Charley who passed away in 2005. Together we called ourselves the three amigos and Charley's wife made us up t-shirts. We had so much fun playing ball then going out to play pool or whatever we would decide to do. Jimmy's favorite thing to do was to play ping pong in the room with the end table and of course his net and things he bought at odd lots. Him & Charley were the best and i ended up being the referee. I miss those times we had but now will cherish those memories. Please except my deepest sympathy Jimmy will be sadly missed by us all.##imported-begin##Ed Stover##imported-end##
