“ Sean,
I worked twenty five years with your mother at Columbia Gas. She was truly one of the best human beings I have known. We laughed, along with your father Jim, he was so intelligent and had the best sense of humor, and we cried and shared many memories along our journey together. I was unaware of her death, which leaves a hole in my heart, but I will be forever grateful and consider my self fortunate for knowing them both! My prayers to you and may God grant you solace in your time of need! My love always!

“ Sean,
I am so sorry that I just now seen that your mom passed away! Both of your parents will always hold a special place in my heart! They were great neighbors and treated us Burris kids as one of their own. My dad passed away January 19 th of this year and my mom passed away 8 years ago. Now they are having a heavenly reunion with their old neighbors! Will be praying for you! God bless you!
