

Jared Martin Matthews

April 26, 1989 - April 23, 2022

Jared Martin Matthews, age 33, son of Martin "Marty" L. and Cheryl D. Matthews, was born April 26, 1989 in Cambridge, Ohio. He left to be with the Lord on Saturday, April 23, 2022.

He is preceded in death by paternal grandparent, Kenneth W. Matthews, maternal grandparents, Jim R. and Dorothy M. Taylor, and Uncle Robbie S. Matthews.

He is survived by his parents; sister Brittany A. Matthews (fianc'e Mathew); grandma Betty J. Matthews of Cambridge, OH, aunts and uncles Rhonda and Tom McCoy of Boiling Springs Lakes, NC, Kenny and Sharon Matthews of Cambridge, OH, Doug and Sandy Matthews of Cambridge, OH, Regan Matthews of Cambridge, OH, Jeff and Bev Ross of Dublin, OH, and Allan Ross of Zanesville, OH. He is also survived by a great aunt Theresa Flesher of Blairsville, GA. and by numerous cousins.

He will be sadly missed by his four-legged, furry friends- Wyndsor, Bentlii, and BamBam. Jared will be remembered for being unique, intellectual, inclusive, studious, and compassionate. He was a CHS class of '07 advocate, an Ohio State University graduate (dual degrees in Political Science and Philosophy), a sports guru, a fantasy football fanatic, a debate master, and a political conversationalist. He enjoyed playing euchre and cheering on the Detroit Lions. This passing leaves a heartache no one can heal; love leaves a memory no one can steal. We keep in our hearts the love of the past, for there is was planted forever to last.

Memorial visitation will be held on Thursday, April 28, 2022 from 3 to 7 pm with a service to begin at 7 pm at Bundy-Law Funeral Home. Pastor Jeff Russ will officiate the service. Burial will take place at a later date in Northwood Cemetery. Jared's online tribute wall may be viewed and signed at www.bundy-lawfuneralhome.com.

“ *To the Matthews family,
I have very fond memories of Jared from high school, he was loved
by so so many. I will never forget his sweet smile. Please know you
are in our thoughts and prayers.*

“ *I'll not forget our deep conversations and political debates. He was
very kind to me in a time of need. He would tell me of his personal
struggles and share his art. We shared our coping mechanisms for
our depressive episodes. It is sad to see he was unable to escape
the things that held him. My heart aches for his family. Hoping he
has found some peace now.*

“ I looked up to Jared throughout high school — his combination of intellect, leadership, empathy and friendliness were not common in one person. He was truly singular.

I will always remember our long nights in Columbus debating, agreeing and disagreeing, and growing closer all along. Jared was one of my best friends then. I will remember him dearly forever.

“ Jared, I wish that you knew how much you would be missed. That you were loved. Most importantly that you mattered even when you thought you didn't. I wish we could exchange witty banter, people watch, or just vent about the world to each other one more time. I would not trade the memories or time I did get to spend with you for anything else in the world. You helped me through my darkness and I would like to believe I helped you for a time at least through yours. I've cried so much the last couple days and I wish this wasn't real. Until next time.

“ Words are just not enough. Today, we light a candle for Jared. There are no words for the legacy Jared has left on our family. His shining personality, crazy music style, board and dart games, his comedy, his love and advice will live on in our hearts.

Jared, has made a difference in so many lives. The kids and I are grateful to have been a member of his.

I wish I knew what to say, I just can't imagine what you guys are going through. You know I loved your kids as they were my own. Cheryl we are all here for you when you need us. All you have to do is come to us. Marty and Brittany the same goes for you guys. I still can't believe it, but I couldn't stand to see him hurt either. God thought it was time to bring a good and special person to be with him and he chose the best. we may never understand why things happen as they do. Remember all the good times with him and every time I look at my candle sticks they make me think of him. I love you all and I will always be here for you all.

“ I met Jared at KSU when he was a student in the piano class I taught. One day, when all of the students (except Jared!) were practicing for their upcoming playing quiz, he pulled a chair up beside my piano in the front of the room and began to talk with me about politics. I was caught of guard, but then thought, “sure, what the heck - let’s talk politics!” We became fast friends. Jared was thoughtful, smart, funny, and seemed to feel things very deeply. A true old soul - wise beyond his years and emotionally intelligent. We kept in touch after he left Kent. The last I spoke with him was September of last year. He will always hold a special place in my heart. Cheryl and family - my heart aches for you. May you find comfort from the love and prayers of all those who loved Jared and who love you.
