“ Jason is a very dear friend and shipmate, I had the privilege of serving with him on the USS Hayler (DD-997) and became two peas in a pod having many great times together either under way or in port. Those memories will be remembered and cherished for. To Denise, Ian and Ben. You are in mine and Katie's thoughts on prayers throughout these trying times and remember the great person Jason is. To my friend and brother Jason, you will be missed. Rest easy shipmate, we have the watch.

“ I'm so sorry to hear of Jason's passing. You have my condolences. I worked with him at Akro (I think that's what it was back then) and he was great to work with. Stopped down to see him a few years ago. I'm really sorry I missed the calling hours. I'll keep the family in my prayers.
