“ Aunt Jeanine will be missed. I am so glad we got to visit her in the late spring of last year with my mother the wife of Jeanine's brother Burt. We had such a great conversation and shared historical memories as well as our love for each other. I will always remember her humor and the pies she baked for our reunions. I loved to hear the stories she would tell when she was in the company of her siblings. I know Uncle Dick has waited a long time to see her again.
