“ I remember when I was little I had a favorite doll Ragdy Ann and uncle buck used to tease me with her by hanging her from the top of a door so I couldn't reach my doll.

“ Whenever me and Dave made ice cream, cookies, pizza, cake, pie we would always share it with Buck. He always had a smile a mile long of appreciation. I always enjoyed talking to him. He had lots of good stories to tell and he was so respectful. I missed him when he moved from next door. He had the kind of personality that you just enjoyed being around.

I did not know Buck for long, but I could tell that he had enjoyed his life and loved his ever growing family. I send love and condolences to all that suffering with his loss.

You meant the world to me
Only a heart as dear as yours
Would give so unselfishly.*

All the times that you were there
Help me know deep down inside
How much you really care.*

I appreciate all you do
Richly blessed is how I feel
