“ *I will forever miss hearing you compliment me every time you seen me. " you sure are purrdy" or " hey beautiful". Or taking you to your Doctor appointments and watching you go through my purse to "sneak a cigarette " ha. Screaming bloody murder when it was time for your insulin shot just to freak me out. You were a character, couldn't take ya anywhere lol. Your great grand kids miss you so much already! I know you are finally happy being reunited with Marci❤️ Love and miss you.* ”
