“ *So many memories growing up in Aunt Sue and Uncle Jim's home. uncle Jim was like my second dad always teaching and guiding us, but the most important thing he taught us was the love of the Lord. This gift is one we can share with our children n friends and I know that he was proud of each of us:). I will always honor you Uncle Jim with my love for Jesus Christ! Thank You! Smile because it's in the joy we will remember him...*

“ How do I put into words what a wonderful dad you really have been. Your so full of knowledge. Any time I needed advice I'd come straight to you and I always trusted you.just wish I would have listened more! But you never judged me you were always so understanding always gently trying to guide me back in the right direction.you were very stern at time but always showed us an equal amount of love and compassion.you made us laugh and you were cool. You were the rock and the spiritual advisor of our home. You were a wonderful friend and teacher. The things I've learned from you will stay with me and continue to help guide me forever. I understand so much more now than I ever have. You even showed me how to die. Gods grace shined right through you for everyone to see. Your testimony before the lord was amazing and inspiring dad! I'm so proud of you! Thank you so much for everything you've done for me! Love you forever daddy! Love, Your daughter
