“ I remember Aunt Joan from when I was 8-9 years old and lived across the alley from Dr. Payton’s office; she lived above his office. Many great times have been shared over the years since then and many great memories! Love and condolences to all the family. ❤️🕊️
🙏 I don’t know if I will make it to the graveside service; I have to find a driver and my daughter cant take off work. My thoughts and prayers will be with all of you.
