“ *In Cambridge and or Guernsey County when people heard the name Mrs. Jo Miller they would smile. Smile because Mrs. Miller was a person that made people feel good. I always was glad to see her, talk to her and came away feeling happy. So, to Miller family, Lyne Family and her many friends my family sends deep feelings of sadness and hope coming from our Christian belief that they who mourn will be comforted. “ Sending our deepest sympathy for the loss of Joan. I am extremely fond of the memories I have of hanging out at Sally's house when we were in school and the years afterward when our kids were getting to know each other. How warm and inviting it always was. Always! I know how much she will be missed. Will be holding you all close to my heart in the coming days.

With much love,

Kathy and Tim Calvert and family
