“ I only met JoAnn a few times when with her son Dave and family outings. She was such a kind hearted person. I heard so many good things about her. I know she will be missed by so many but she is in a better place. And she is waiting for you there. Pam & Frank Yakupcak (Debbie Harper's sister)

“ To the family of JoAnn Harper: JoAnn was one of my favorite seniors and a wonderful friend.

She headed up the quilters at the Senior Center and did a wonderful job. I was able to see her right before Christmas and take her a plate of goodies. So sorry I was unable to make it to the Funeral Home. My thoughts and prayers are with the family....I will always remember her as a "Very Special Lady". May God bless all of you during this difficult time.  
Warmly, Sandy West

“*JoAnn Harper, whom I met while she was staying with Kathy and John one summer before her illness, was a truly gracious and friendly lady. Not knowing her more than this one short while, she did impress me with what I immediately recognized as a loving woman, whose family was the delight of her life. Her daughter, Kathy, who is my best friend these many years, also has shared with me how JoAnn worked and loved her family through not only the good times of life, but also in the harder times of life. Her children and their many offspring will always be a testament of a good and loving wife as in Proverbs chapter 31. I saw Kathy driving to Cambridge to visit her mother every weekends after JoAnn entered into the last phase of this earthly life, and witnessed the unflinching love Kathy had for her mother. One does not do this unless there is a deep love for another. Kathy loved her mother to the depth of her soul, as did JoAnn's other children. JoAnn was so very deeply loved by all her children, and her passing will leave them as the "proverbial homeless child." However, they all know how much they were loved by this wonderful lady. Now, it is time for JoAnn to be loved and embraced by the One whose love is all encompassing and her time of suffering has truly been vanquished in the blink of an eye. My sympathy to her wonderful family who have been blessed with being the children of such a woman as JoAnn Harper. Nannette*
