“ *Grandpa was so sweet, happy and funny. He had me convinced that there was a new type of chicken and the eggs were already boiled. I fell for it hook, line, and sinker. Lol. Maybe you and my dad will go fishing together in Heaven. Dylan worships you, and Taylor looked to you like her own grandpa since both of hers are gone. I am so glad that at least you had the chance to know Braxtyn. A part of you will always be inside of Jim.*
