John was so much fun to work with at the state hospital and at the prison. I'm going to miss him. I know he loved his kids so much. He always talked about his kids.

It is hard to believe that we were just joking about getting old last week and he is gone this week. We never made it to Theo's for lunch. Thank you John. Thank you for bring joy back in to my life on a day where it felt like there was none.

On behalf of myself and my family, please accept our condolences on the loss of your father, brother, relative, friend and all that he was to those who's lives he touched.

I enjoyed working with John at the State Hospital where I always found him to be dependable when you needed someone to cover your back. We then moved on to work together at NCI where again, John was always there to help, greeting you daily with that big smile from cheek to cheek...miss you, my friend.
