“ John was a childhood friend. We shared many good times together in East Cambridge, and went to school together at Glass Plant school. Once, we were playing "Army", and he hit me in the head with a rock, and he went home crying and my grandma thought I was "bleeding out!" He didn't mean to do it. Lol! Lots of good times shared, and lots of good memories. He was a good and honorable man, and will be sadly missed. Sorry for your loss, and God bless. John Westover.
