Tribute Wall

“ To the Family of John David Frost; my deepest condolences. I was out of town when John passed and unable to properly pay my respects. Many of my childhood memories involve being ornery with John David and spending time at your house on 10th street and the playhouse in your back yard. Even though I hadn't seen John David in years I feel a sence of loss knowing he's gone. Again, my condolences to all who loved him.##imported-begin##James A. Endly##imported-end##
