“ Our condolences to the Eyen family. John was a very special person to us. He taught Tim how to bowl and also just alot about life in general. I especially enjoyed Jim and John's visits to me at Bob Evans, as they were both always good for some laughs when they were together. Such a great man who we both had the utmost respect for. Sorry we missed the calling hours. Rest in peace, our dear friend. Love, Tim and Sharon West

“ My condolences to the Eyen family. I worked with John at Capitol Lanes when i was a young man. He taught me how to bowl and worked with me until i got it right. ;) When i turned 16 he gave me a silver dollar that i have to this day. He told me to hang on to it that it would be worth something one day. He also taught me about life. He was a great man and will always have a place in my heart. Gone but never forgotten my dear friend. Your friend, Jay Heddleson
