“ *I always loved & will miss you very much. Although, we must remember that you do not belong to us, but to our Heavenly Father. If we got to keep you, we would never let you reach your final destination. So cheers to my mentor/coach/friend, OH! What a pal you' v been, I will look forward to your horse laugh once again, in Heaven!*

Too the family, you have my deepest condolences & sympathy. I will be there whenever you need me. I will pray for you, please keep me in your prayers, also. This is going to be a very challenging time for all of us. John has had a defined impact on my life, & is most responsible for the positive changes in my life occupationally, socially, & spiritually.

Fortunately, we know that John is not the one suffering, now. He has reached his destination, while we continue on with ours.....
