“ So sorry for your loss. I was late in reading my papers and did not know until after calling hours. Brent was so very good to Uncle Russell and Aunt Bernadine and they loved him very much.

“ John and family. So sorry to read about Brent's passing. Over the many years of doing business with him I got to admire his knowledge about so many things and his light-hearted humor. He tried so many times to get me to fly to Atlanta with him all the time knowing my fear of small planes. The one thing I never forgot however was when I was a youngster with no money and I went in to his bike shop looking for a cheap fix for my bicycle (not one he sold). He was busy but told me to come back and he would see what he could do for me. Long story short he fixed it and looked me in the eye and said young man that will be 50 cents. I never forgot the kind man and later when I told him this story he smiled and said please don't tell everyone I wouldn't want that to get out..Rest in peace my friend. Jim Hayes

We are so sorry for your loss and want to send our condolences. Over the years when making trips back home we always looked forward to our chat with Brent at the shop. Dick and Brent go way back when they were children playing together when Brent came to Cambridge from Atlanta to visit family. It was fun to watch his family grow since we were also neighbors for some time.
