“ *Dear Sam, Beth and Karen and your families, It did not take long for news of Mr. McCoy's death to travel between friends around the country. I will always think of him as "Mr. McCoy" from many years ago as we were growing up together. He smiled as we children naturally and noisily migrated his house and yard. A true gentleman. My heart goes out to each of you.*

“ Dear McCoy family,

My heartfelt prayers and condolences to you all. Though it has been many years since we were neighbors, there are not too many days that I don't think about growing up on Fairdale Drive. The memories are indelible and I will always have a fond place in my heart for you all. Be comforted by the fact that your dad heard these words, "today you will be with me in paradise." He is alive and we will all join him one day.

“ Jack was a wonderful person and he will be truly missed.

I had many opportunities to play golf with Jack and he was a wonderful golfer and an even better human being.!

I will always cherish my time with Jack, especially playing golf in Columbus at Brent Markley's outings. Jack always seemed to play really well at those events. He missed Brent's outing this year and everybody wanted to know where is Jack "the guy who always shoots his age". Everybody knew Jack and liked him.

I will always remember our many conversations about business, about life and about golf.

At Church on Sundays he would search me out to explain the good, and the bad relating to his golf scores that particular week.

Indeed he was a loved and very special person !

I am very sad and I will miss him immensely !
