“ *Everythin was so true what Wes said about john. Made me think about how over the years i worked for him I witnessed countless time that he feed homeless people who tried to eat out of trash cans outside. How he would let homeless stay in his empty building just to stay out if the wind and cold. How he looked out for all his employees. Helped any of us girls get transpotation, tires, loans. He gave us bonuses to help us. Very generous with our Christmas bonus. I can say he personally he helped me many times. I never seen john out of line with any women. Always a gentleman. Him and I bumped heads once in awhile but I still always thought the world of him like a dad. John told me many times how he would be lost without Patty. His wife and family was very important to him. We will miss him greatly. R.I.P.* ”

“ *I will always remember John for his faithful attendance at Buckeye Trail Girl's basketball games. He was an avid fan. I also remember going to his store at lunch to get gobstoppers so I could continue on my school day. At Halloween, he gave the best treats. I always made a stop at Kaplet's Market to get my bag of chips or candy bar. He would smile as he seemed to enjoy looking at all the costumes. He always made me feel special and encouraged me to work hard and be successful. He was truly a blessing to me. He owns the only local gas station that will let you air your tires for free. He will be missed.*

I always liked seeing John in his grocery store. He was friendly, happy, complementary, and a really good person in the community. I taught at Buckeye Trail HS for a number of years, and John was always supportive of the school, interested in what my students were doing, and ready to talk about what was going on around town. I liked him. When he opened the station, I enjoyed talking with him on visits there, and he always was genuinely happy to see me. A good businessman, a good citizen, a good person. That's how I knew him.

On behalf of the Kaplet relatives, I would like to extend our love and sincere sympathy to John's family, especially Pat. John is my first cousin. We all grew up together in Glencoe. Our fathers were brothers. John, along with his brother and sister, endured much sadness in their lives. John, losing his father while very young (a baby,) He lost his mother while in grade school (5th or 6th) Yet he surmounted those losses with a spirit and resolve that became obvious to anyone who knew him. Unfortunately we all didn't get to see him often over the years, as we lived far away. But our memories remain of a very kind and decent man.

I went from first grade through the eighth grade with John at the Glencoe School. So I am sorry to hear about his passing. I knew him well, but over the years and living in a different area I was not able to keep up with him. But my memory of him is of someone who was a little shy and quiet and well mannered. I was glad to hear he did well in life. I'm not surprised. His support of his church reflects his Love of the Lord. I never met his wife, Pat, but I want her to know I send my sincere thoughts and also my prayers.
