“ Dear Kay, Mel, and Mindy,
It is hard to believe that life could deal such a terrible hand to such a wonderful family. I will remember John as the Dad and husband that families dream of having, he was always there to support his girls and his wife. He has touched my heart and my son's and I thank god for even having the opportunity to have him be a part in our lives. Now I ask god that he hold you close to him in this time of need and help your family make it through this. I know that John will be shining down on you guys and would want you to stay strong and move on. Know that you are in our thoughts. “ Dear Kay,
I cannot imagine the loss you must be experiencing right now. You two have been together so long but when you love someone as much as you two did, there is never enough time in the world to spend together. I will be praying for you and your daughters that God gives you the strength to go on. Life can be so cruel and heartbreaking at times.##imported-begin##Barb Mingione##imported-end##

“ It doesn't seem possible that John is gone. He was always there for everyone when they needed help. He always had a smile on his face and in his heart. God bless the Jenkins family, especially Kay, Mindy and Melody. We cannot think of anyone who knew John who didn't love him. That is a great tribute to his life. We will miss him forever. -- The Hunnell Family Carl, Marcie, Lucas, Nicholas and Zachary##imported-begin##Carl Hunnell##imported-end##
