“ *Janet and Family,
So very sorry to hear about your father, I am sure he was a special dad. Your mom talked about him years ago when I worked at NCR. MaryAnn was always a hard worker and her job as a nurse meant a lot to her, so taking time to talk didn't happen to often, her patients came first. Her short "hellos" did involve mentioning all of you and it was obvious that she loved her family. I will keep your family in my prayers.
