“ *Your dad, grandpa and brother will always be with you in your heart. Sending you love and hugs during this difficult time. May you find peace and strength in the love and the memories you shared. I was probably 6 or 7 and I remember Jonny coming to the farm to help my dad bale hay or just bull****, going fishing, frog gigging with him and my dad. I have so many more memories I will always smile when I think of Johnny. RIP cousin.*
