Tribute Wall

“ *Heaven received the kindest, sweetest, little angel. My dad was a true gentleman, and set the standard for the best father, husband, papa, mentor and friend. He was a hard worker, and gave 150 percent to everything he did whether it was in his career or his personal life. His heart was full of love and compassion for people, and he never met a stranger he didn't like. He also was a true man of God. He would help anyone that needed it, and always was thinking of others' needs before himself. My dad was truly one in a million, and was my inspiration throughout my life. He taught me many invaluable lessons that I will teach my children. Just as the name of our father/daughter song at my wedding, he has always been the wind beneath my wings and will always be my hero. I would be honored to be able to be the person my dad was all of his life. He was the best family man, and I could not ask for a better dad. I will miss him so much, but he will forever live in my heart.*
