I am an old friend. We shared a lot of wonderful times together. I chose yellow because, I can still see Joe in that black fur coat and mustard boots he loved to wear, and who can forget that yellow convertible with the unbelievable sound system. His smile always lite up a room, he will be sadly missed by many. I was fortunate to have had him in my life . He taught me a lot about being a loving and forgiving person. He will be missed. I was lucky to have known him My best to all his children. Billie Moberg Monday
