Tribute Wall

“ I met Joe while working for Dr. Knapp in the early 80's. He was a good friend of the doctor and would bring eggs when he would visit the office. Joe was kind and had a good sense of humor. May God help you recall precious memories to help get you through this time of grief until you meet again. We can have hope of eternal life in heaven with Christ, our Lord and Saviour, who's shed blood on the cross paid for our sins once and for all. HE was crucified, dead, and buried but on the third day rose from the dead. HE was victorious over death and because HE lives, we have hope that we too shall live. For those who believe and confess with their tongue will be resurrected when he returns and taken to heaven to live forever and ever. All we have to do is believe in HIM and ask HIM to be the Lord of our lives and to change us as we continue our journey here on this earth. Always seek the truth. ##imported-begin##Cindy Kerr Thiele##imported-end##
