“ Tina, Todd, Katie and Brice~ So sorry to hear about the loss of Jo. Chelsea and I were shopping in Gabes on Sat. and 2 women were in the dressing room and said they were from Cambridge. Chelsea mentioned Katie and they asked what your maiden name was because they felt they may have known you from high school. When I said "Deluca" don't ask how I remembered that they asked if you had a twin, and then proceeded to tell me about the passing of your mom. I don't think it was a coincidence. God always has a plan. I will be praying for all of you, and maybe this was HIS way of informing a past friend to offer more prayers. Take Care!!

“ Dear Phil,

Thank you so much for your note, it really helped me to know just how serious Jo's condition was. This helped me prepare for seeing the obituary in the paper.

I am so sorry I can't make it to St Joseph's cemetery today. I have offered my daily mass for her, after receiving your note.

I will continue to keep you and your family in my prayers.

Sincerely,
