“ My mother and Josephine grew up together. I worked with "Jo" at TWA, when she moved back to Cambridge she often visited my parents Harry and Lily Rose. Dad loved to talk to her, as he said she was "interesting". He passed away 12/20 at age 100. Mom and Jo would talk about their childhood, and she and I would recall the fun times at TWA when the industry was new and exciting.##imported-begin##KAREN SONNEFELD##imported-end##

“ Chris, you and Alane and your family have been in our thoughts this weekend as you go to Michigan for your aunt's memorial service. You've certainly been loyal to her which must have made a difference in her life. I hope the weather is accommodating for the drive. Virginia##imported-begin##virginiatranel##imported-end##
