“ I met Joyce at the Plaza in 1988. You meet a lot of people in the restaurant business, but she was kind polite, very impressionable with a smile. We discussed cooking. I met Tom and Keri. The entire family was more than just patrons, they were my friends. In 2010, I had a heart attack. Late 2010, I ran in to Joyce at the Cardiac Rehab center. We were both recovering heart patients. That would be the last time I saw her. She was cheerful and full of life, facing the health problems with a smile. My prayers are with whole family. Joyce! may God bless your soul and you rest in peace to the eternity.

“ *I remember Aunt Joyce taking my sister Lisa & I for rides in her mustang. We thought we were pretty cool!! Aunt Joyce also pierced my ears for me when I was young...using an ice cube & a needle! I'm glad that she is no longer suffering, but we are going to miss her. Rest in peace Aunt Joyce.*
