“ *My family and I would like to offer our condolences to you for your lost. During times like these much comfort is needed and can be found in God's Word the Bible. It is my hope that you find comfort in Acts 24:15 where we're encouraged to look forward to the resurrection. You have a wonderful hope of being united with your loved one again. You can also look forward to a time soon to come at Revelation 21:3,4 where Jehovah God says he will do away with sickness and death forever. As you wait for God's blessing to come to the earth and look forward to the resurrection, continue to look to God's promises for Comfort & Hope even now. If you would like to discuss God's precious blessings further you can contact me via e-mail.*
