Judith Kay Coon, age 69 of Cambridge, Ohio passed away Saturday March 28, 2020 at her residence. She was born on November 3, 1950 to the late Darrell and Lea (Slasor) Lagneaux. In 1989, they moved to Ithaca, NY where they lived for 13 years. Judy made many dear friends during this time. Special friends her family made in NY were Lori & Steve Myer. She loved listening to Steve, Denny, and Misty play their guitars and sing. They also remained close friends until her death. Judy loved sewing and going to the Farmers Markets and various craft shows throughout the year. Her latest project was making protective face masks for kitchen staff at SEORMC. She loved doing for others and helping if she could. She was a huge supporter of the Ohio State Buckeyes and if you were near her home on game day, you'd hear her rooting. Judy was also very proud of our military servicemen & women, especially her family members that served. Honoring Judy's wishes, she will be cremated and due to the Corona-19 virus, her family will have a celebration of life gathering at a later date. On-line

“ Judy you were a wonderful person to me the entire time I dated Misty. You were the first to greet me at family functions. You accepted me as an equal and ignored the fact that I was so shy at those gatherings. You were a great mom and grandmother. Our time to know each other was short , but in that short time that I knew you I am glad I did because knowing you and your family in that time made me a better person. I will keep you in my prayers. The world lost a great person. I will miss you.

“ Judith always was so nice to my handicapped son Ben. He visited her stand every Friday at Tractor supply. She gave him a bag of rocks she used them to weigh her basket liners down that still sits on my kitchen table with Benjamin's stuff. She will be missed. God bless all of you and prayers for your loss.
